

KENTUCKY BOARD OF NURSING

EDUCATIONAL REGULATIONS: FACULTY ESSENTIALS

Program:

The general purpose of this program is to introduce program administrators and nursing faculty to the educational regulations for the Commonwealth of Kentucky.

Objectives:

At the completion of this program, participants will:

1. Understand the Mission of the Board of Nursing
2. Identify the role of the Board in relation to prelicensure programs of nursing across the Commonwealth
3. Describe the roles and responsibilities of the nursing program administrator and faculty in a Board-approved nursing education program
4. Describe the provisions in the Registered and Practical Nurse Law and Administrative Regulations that relate to nursing education programs
5. Explain the process for ongoing program compliance and reporting to the Board
6. Understand the licensure and permit application process
